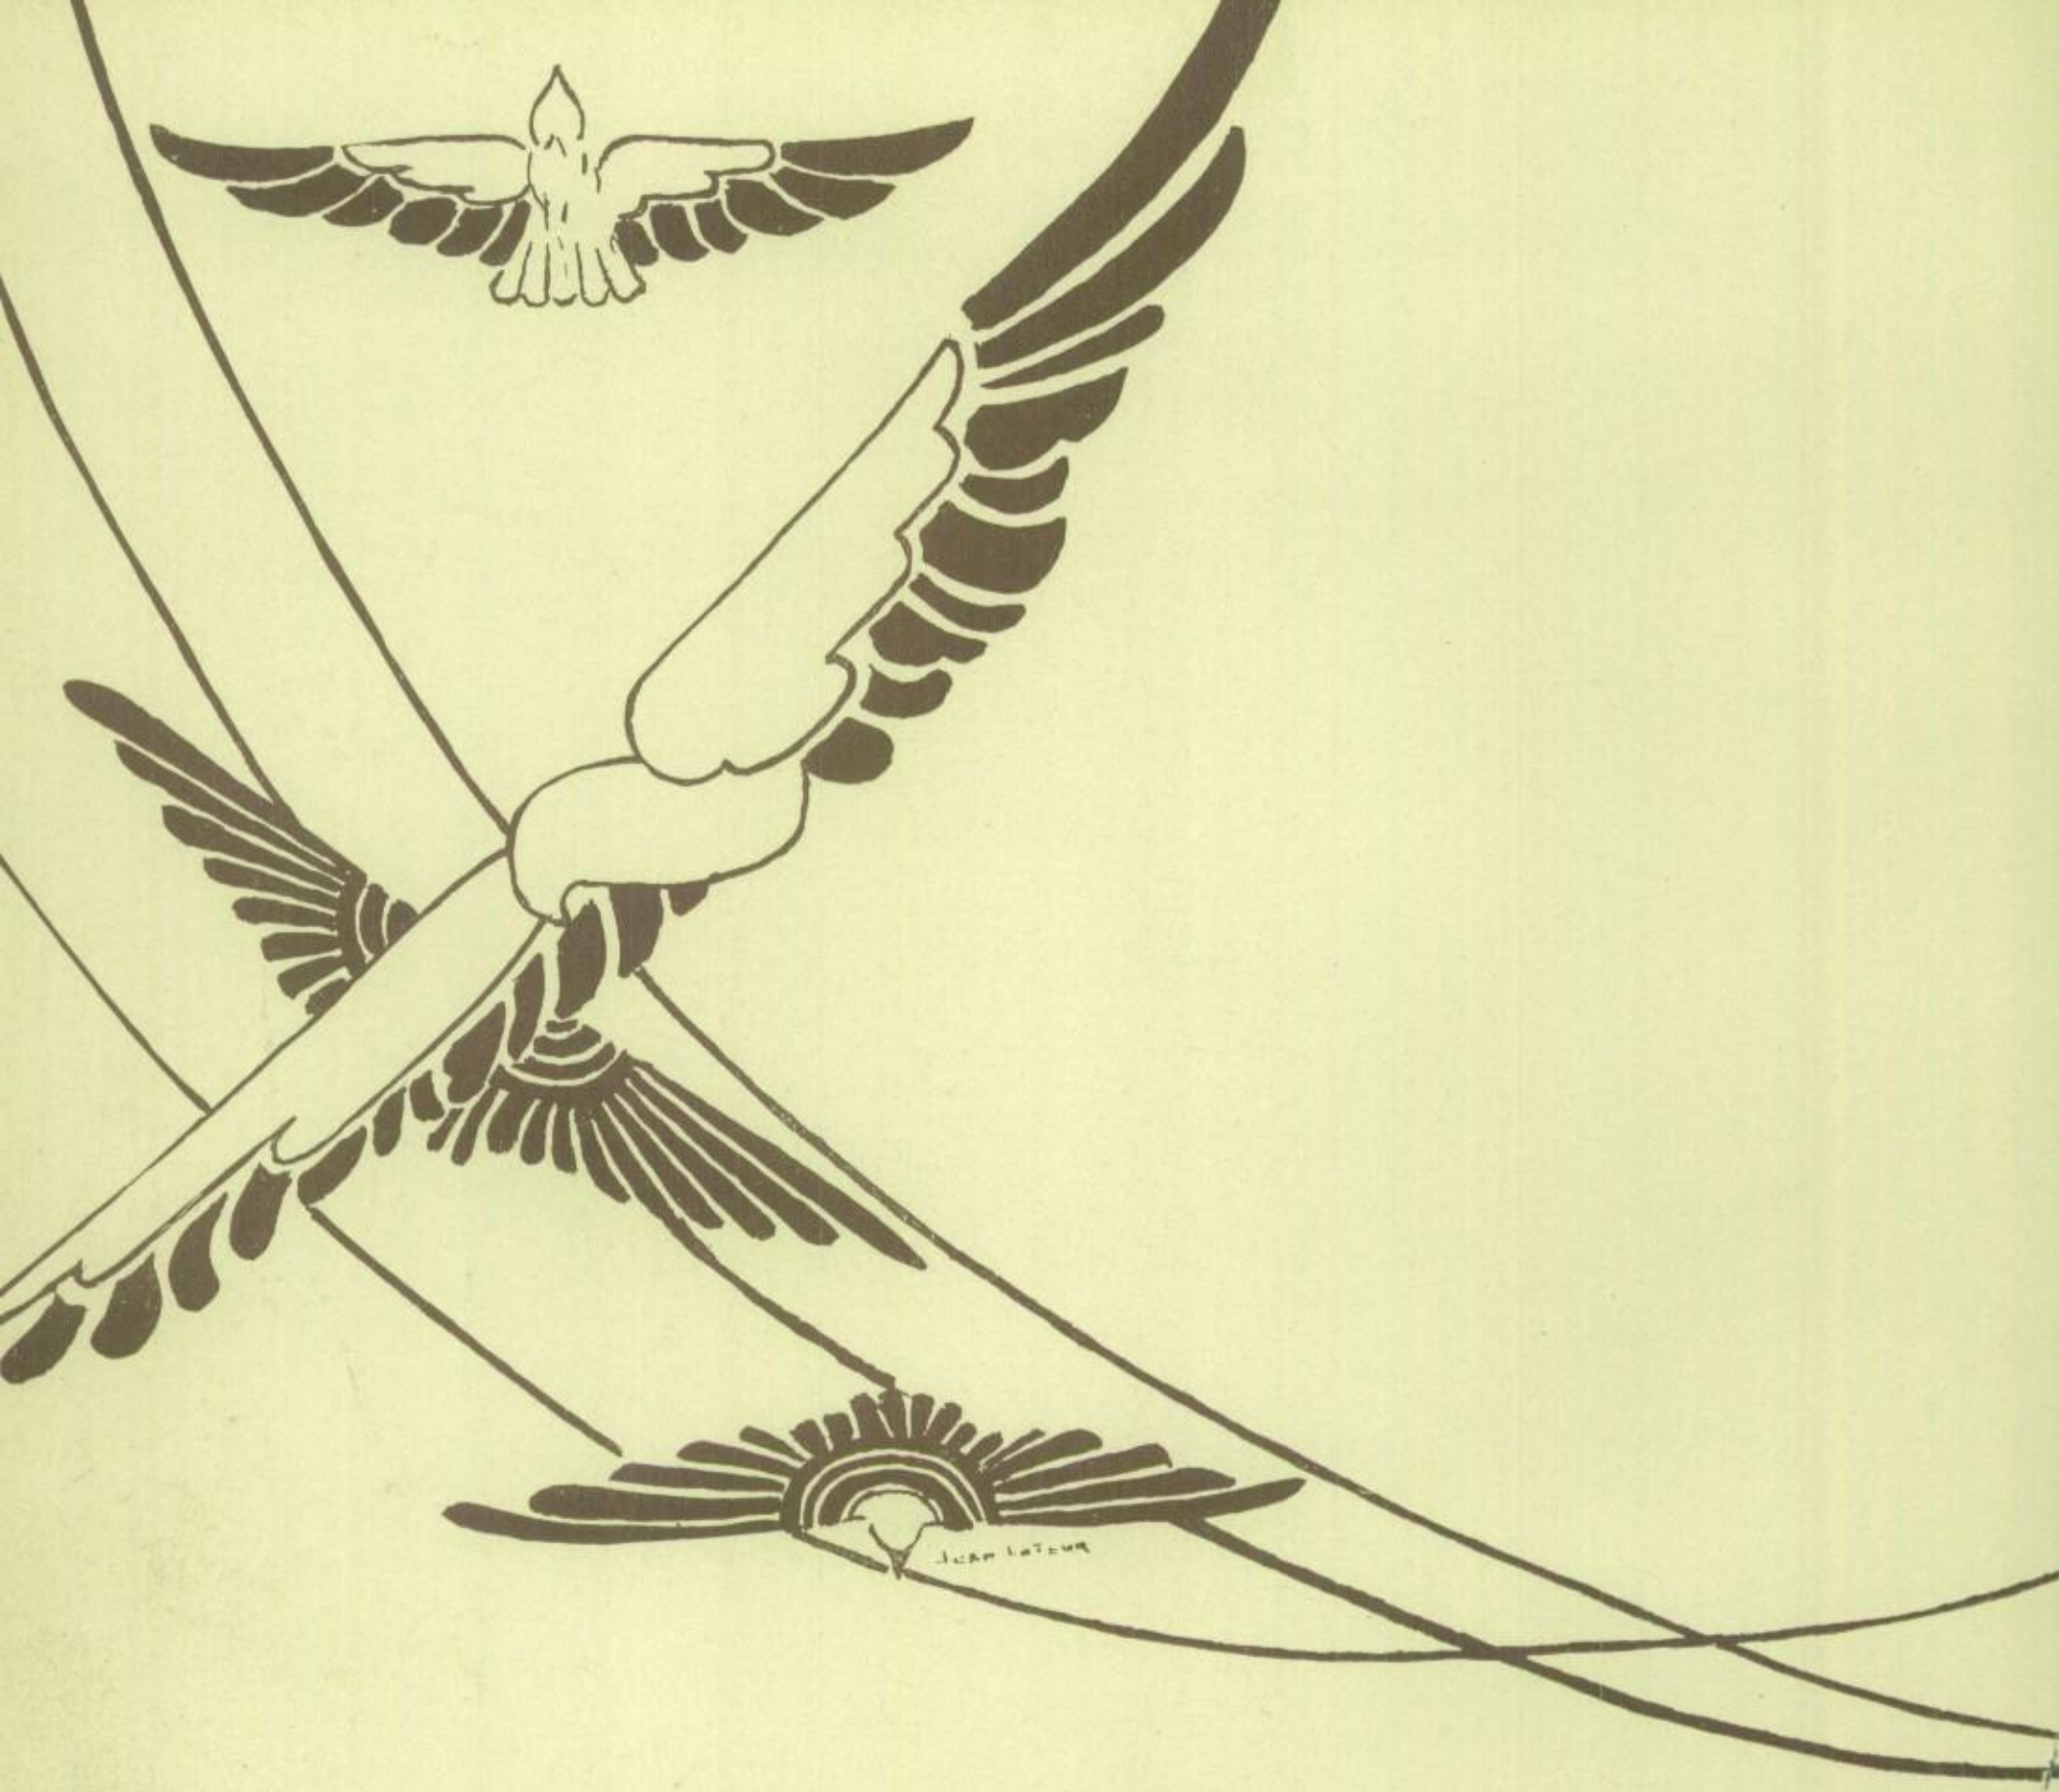
PEORIA HIGH SCHOOL

PEORIA,

ILL.



Foreword

This volume of the *Crest* attempts to portray, as a symbol of the spirit of the students of Peoria High School, the "Wings of Youth" flying to the uttermost parts of the earth in quest of knowledge. It is here at Peoria High School that new fledged wings are given guidance until they have increased in strength and beauty, and have become able to fly forth into the wide world to bear our youth afar that they may add to knowledge, success and fame.

Dorothy Crowder

Dedication

It is with deepest gratitude, loyalty, and affection that we dedicate this, the eleventh volume of the *Crest*, to Miss Dorothy Crowder. With her faithful service and untiring effort she, as former sponsor of this annual, has brought the *Crest* to its present high standard. It is our desire and hope that this volume and following volumes may attain the perfection that she has set before us.

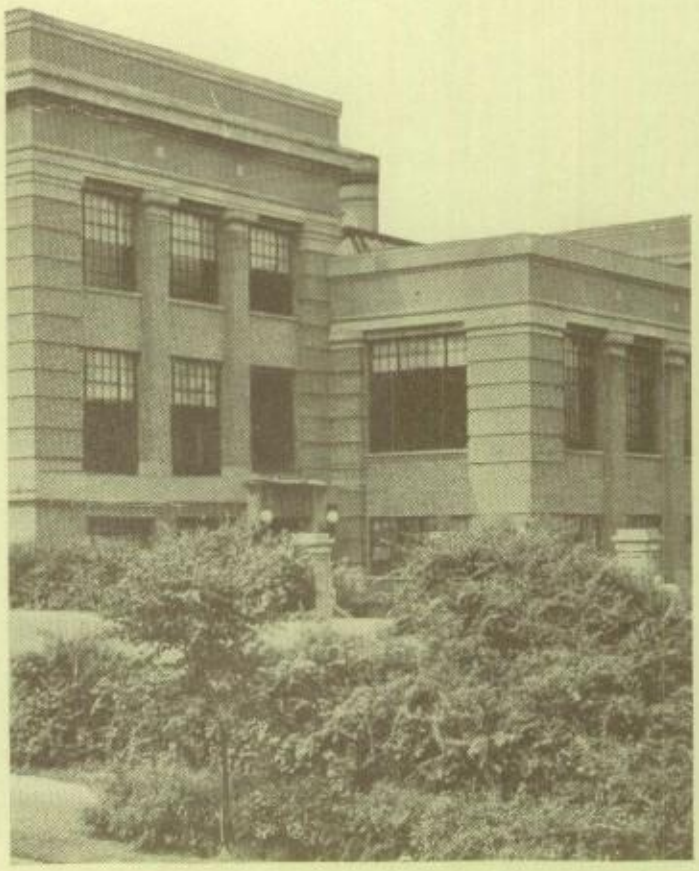
JEAN LATECA

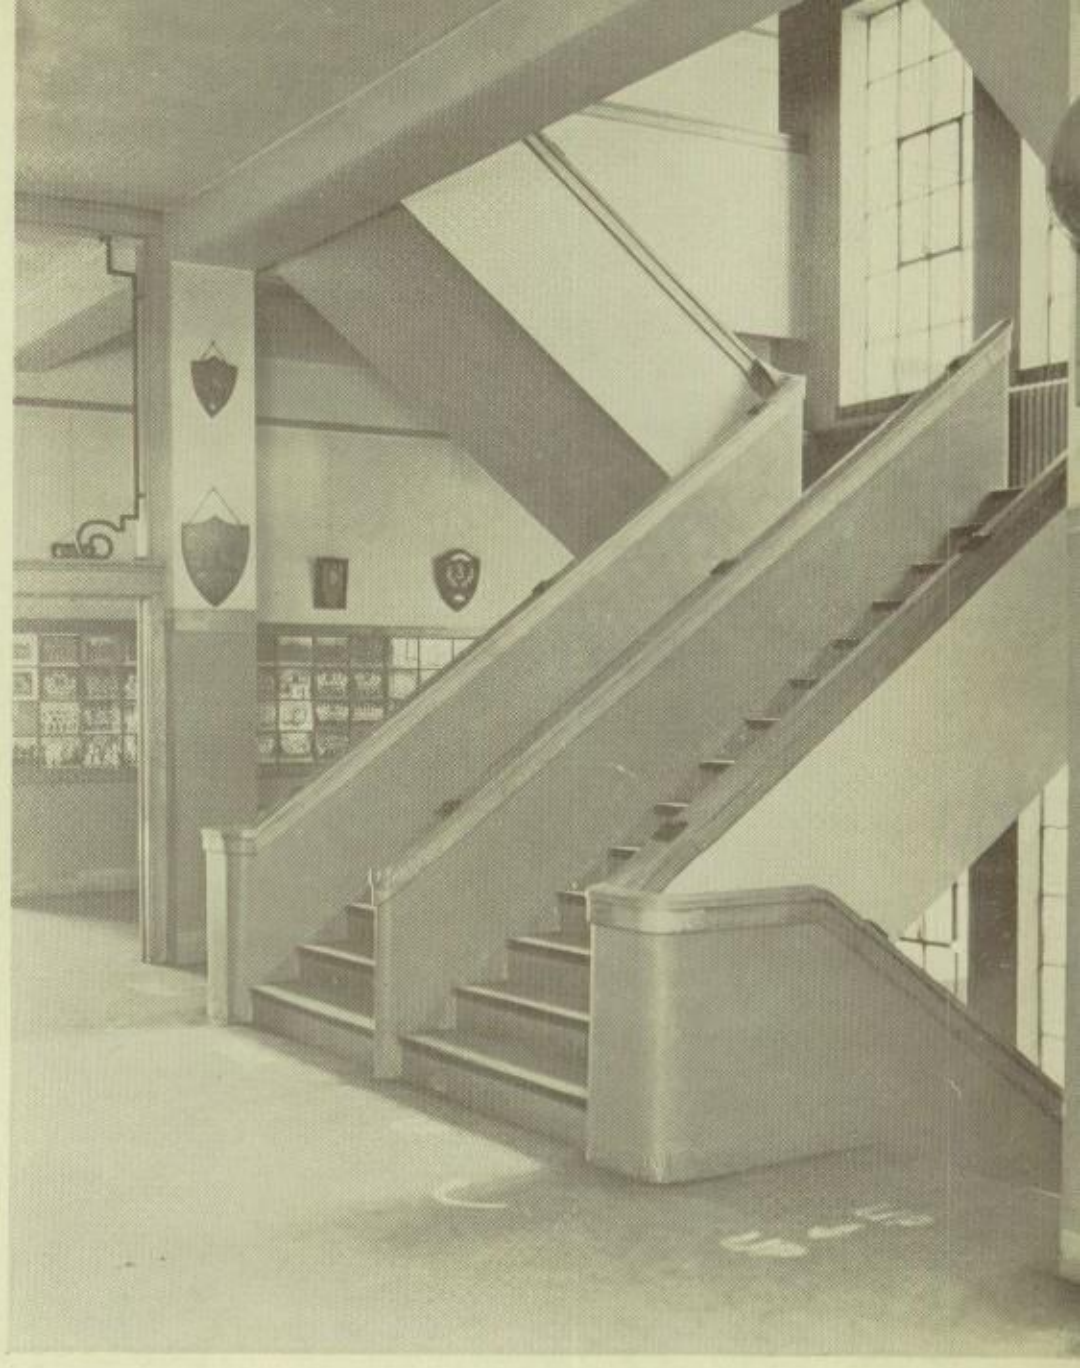
PEORIA HIGH SCHOOL

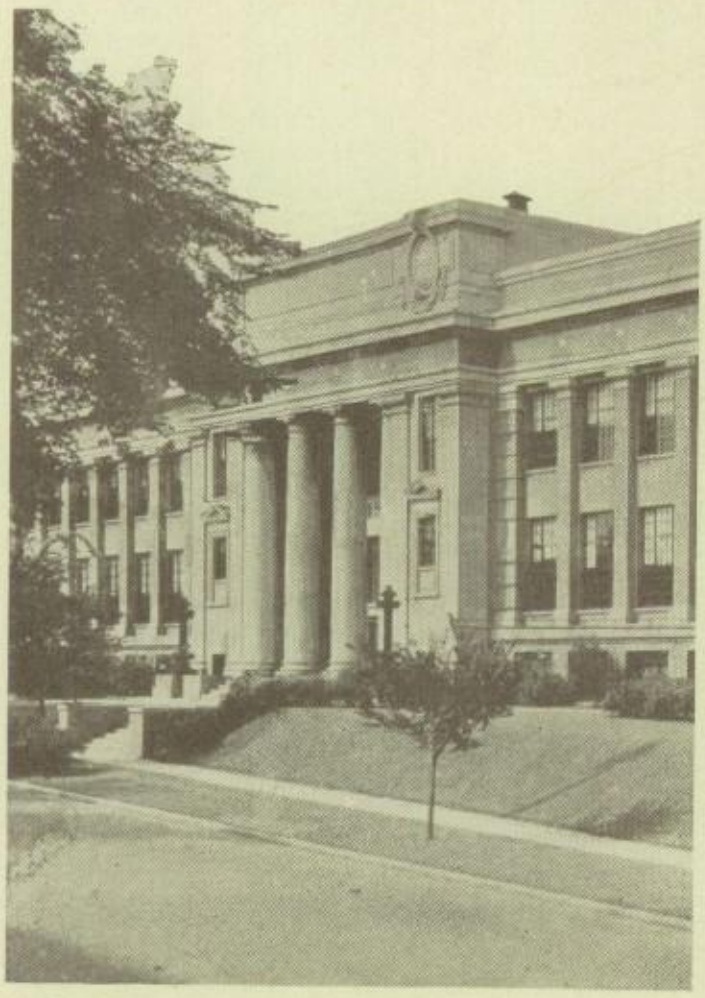
A perfect greeting as we enter the door is this marble desk which so proudly stands as a memoir of our school days. At one side we may catch a glimpse of the well filled trophy case which tells us of our glorious victories at Peoria High.

When springtime comes Peoria High is at its gayest. Leafing trees, budding shrubs, merry voices, and high hopes proclaim our school at its height. Hearts beat with pride and loyalty for this spot we love the best.



Pleasant memories spring from the echoes of our footsteps. All is still. Every corridor seems deserted and noiseless, but what is that? A bell! A sudden burst of life! A word of greeting! Gayety! A hall alive with golden memeories!





This attractive entrance has beckoned to us all to participate in Peoria High activities and school life. For the opportunities received here, we owe our school a debt which we can never repay.

FACULTY

We give deserved regard and affection to our faculty, who have carefully and willingly guided us through our four years in Peoria High School.

MR. FISHER

Supt. of Public Schools

"Today our greatest need is for thinkers. Perhaps the best way we can help the social order is simply by thinking. It is much easier to work than to think, but the harder a man works without thought, the more damage he does. Education means discrimination; clarification by discussion; it means hearing both sides, and slowly making up one's mind where truth and duty lie. Those who think together really live. Only by this means can you attain. Think."

MISS ELEANOR WATSON

Dean of Girls

"I hope our High School may give you knowledge, understanding and right attitudes, and if it does so, you will be able to recognize justice clearly, use freedom wisely, and carry responsibility ably."

MR. BREWER

Principal

"The school cooperates actively, sympathetically, and purposefully with the home, the church, the factory, the press, the clubs, the library, in their effort to shape the youth into serviceable manhood and womanhood. Building character, developing personality and stimulating right emotions are the chief functions of education."

MR. ROSS JOHNSON

Dean of Boys

"Everything comes to him who hustles while he waits. Youths of today are fortunate in being reared under conditions which forestall later disillusionments. One function of education is to prepare for life, and life has abundant compensations for those who realize that living is serving."

Eddie Deford.

We were a promising and bright looking group of Freshmen; when in 1930 this class entered Peoria High School, but true to the old custom, the upper-classmen dubbed us "the greenest bunch ever to enter". No doubt they anticipated our future possibilities, but deemed it unwise to tell us. We will admit now, though, that we were the most versatile addition Peoria High has ever known.

We passed on down through our Sophomore and Junior years. Our bashfulness is wearing away. Our knowledge is increasing. Everyone is distinguishing himself in some way. We have become active in school affairs. We have our football heroes, basketball stars, track, and swimming contestants, our actors, scholars, leaders, and wits. We have joined various clubs and some of us have been elected to honor societies.

Now we end our Senior year. We have not been a perfect class. We have held our own opinions and have been only too anxious in defending them. We have done much during these four years—good things, foolish things. We are positive that this teacher is a meanie and this one a dear. We have found admirable qualities in some of our classmates of whom we didn't expect them and short-comings in our idols.

We have gained much during these four years. Our experiences here can never be forgotten, but will form the happiest of memories for us. When we go out into the world, we will uphold P.H.S. and all she stands for. Our friends have told us that our high school days would be among the happiest of our lives. We are certain that truer words were never spoken.

There is one thing none of us missed. We all have had a good time—four years of rubbing elbows with the happiest, friendliest gang we will ever meet. And we all agree that it was worth the effort. Don't we? You bet we do.

This year the classes of 1934 and 1935 combined in their memorial to the school. To make our auditorium more attractive and warmer, we are leaving the school mulberry velour drapes for the windows, matching in color and material the mulberry curtains for the stage.

THIS year our class took part in many of the school activities. There were many athletes who gained prominence in the different sports. Among them we find our football heroes, John Schwartz, Joe Batchelder, Richard Green, Wesley Krantz, George Meier, Robert Ashley, and Carl Stutzman. The basketball team claimed Carl Shunk and Joe Batchelder. Grant Anderson, Dick Parker, and Gerald Bowen held places on the swimming team, which won the Big Twelve Championship. Ted Faner, Bill Pinkney, and many others gained notice in other branches of athletics this year.

A very close and exciting presidential election was staged by five well known juniors, Betty Fox, Dorothy Felsman, John Canterbury, Harold Howells, and David Best.

The Junior Prom was held at the Hotel Pere Marquette this year. An enjoyable evening was spent by those who attended.

Many of our class were active members of Jusendra, Charvice, National Honor, Dramatic Honor, Promerito, Band, and the Orchestra.

As a parting thought we wish to thank our sponsors, Miss Bernadette Mahoney and Mr. Floyd Barloga, who so heartily cooperated with us in our varied activities of school life.

Sophomore Class

THE Sophomores of Peoria High can boast of having both quantity and quality. It is the largest class in the school, for to our membership of last year have been added several from the junior high schools, bringing the number up to four hundred and eighty-seven students.

As to quality, we can boast a number of members that represent us in the various school organizations, such as the Glee Club, Band, Orchestra, football, basketball, and Student Council. We have several members in Promerito, and the Junior Honor Society, and three Sophomores held high places in the speech contests.

In March we had a large class meeting in which we voted enthusiastically to help the band-uniform fund by having a dance. This dance, given in April, was our first undertaking as a class, and it was a genuine success, both socially and financially. The students in charge proved themselves very capable in managing such functions, the response of the class was most gratifying, and the sum handed over to the band was greatly appreciated.

We feel that the greater part of our success is due to our two sponsors, Miss Irene Bunch and Mr. David Owen.

FRESHMAN CLASS OFFICERS

CHARLES GAMBLE	President
ANN LA TEER	Secretary
TOM MORRISON	Treasurer

Freshman Class

OH, we Freshmen! All eyes and mouths. That is, during the first semester when we weren't organized, but then more came and kept it up, so what's the use?

First of all we want to thank Miss McConnell and Mr. Sommer for staying by us as class sponsors.

As yet, this year, there hasn't been much history connected with the Freshman Class as a body. The officers of the class were appointed by Mr. Brewer. In the only meeting the class had, Mr. Sommer called the meeting to order, Miss McConnell, our other sponsor was present, Mrs. Hale explained all about the Crest, and the meeting was dismissed. Aside from this business, the Freshman Class has been making a good showing at the football and basketball games. This year there are two freshmen in the Boys' Glee Club while in previous years no freshmen or sophomores were admitted. We have a Student Council representative, a cheerleader, and many prefects. These are just a few things that go to our credit, but the bad points show up well too. We only wonder what you upper-classmen were like when you were freshmen. Probably worse than we, and yet that wouldn't be so bad. We're like a ship without a rudder but ships without rudders always get blown someplace. Oh well, in a semester or two we'll be sophomores.

Band

OFFICERS

Ralph Fern, Pres.; Leona Van Hohenstein, V.-Pres.; Mildred Johnson, Sec.

Peoria High is proud of its band. They make a splendid and impressive appearance in their new uniforms, purchased through the efforts of the Parent-Teachers' Association, school clubs, faculty, athletic association, business men of the city, alumni, and the whole student body.

The Peoria High School Band has played for all the football and basketball games. The band has seventy-two members with two band majors,—Walter Jameson being the regular one and James Fleisher the twirling drum major. Art Nelson acted as assistant.

Besides giving concerts for the student body and the Parent-Teachers' Organization, the band played a concert at the Roosevelt Junior High on May 11. On May 9, combined with Manual Training High School Band, they played a short concert at the Shrine Temple under the auspices of the Amateur Musical Club. Later in May the combined bands played their annual concert at Roosevelt Junior High. This was a joint concert with the combined High School Orchestras.

Representatives from Peoria High Band took part in both the Big Twelve Solo Contest and All-District Band which was a part of the Illinois State Teachers' Convention.

Student Council

OFFICERS

Tom Flanigon, Pres.; Kate Ulrich, V.-Pres.; Kate Pettett, Sec.; David Best, Treas.

Student Council has enjoyed a splendid year in many avenues of endeavor. Notable among the achievements has been the cheerful cooperation between the council, representing the student body, and the administration. Regular matinee dances have been sponsored, the Maroon and Black was revised and reprinted, the book exchange efficiently and economically served hundreds of students, and, for the first time, a student directory was published.

The council this year has chosen all of the "paid assemblies". They are forwarding a program for the education of students in the exercise of their civic right of voting. Campaign speeches and regular voting procedure are carried on for school elections. This year council has had as its leaders individuals of keen intellect and great capacity for work. All responsibilities have been cheerfully assumed and carried to completion. For the first time Council has become affiliated with the National Association of Student Government.

Other activities that have been carried on are: Assisting in the offices of the deans and of the principal, writing editorials for the Opinion, making assembly announcements, acting as Peoria High School representatives to the ward schools, assisting the band uniform committee, sponsoring a *Crest* dance, purchasing printing materials for the Opinion, donating money to the band uniform fund, providing materials for the prefects, and placing conduct signs in the corridors.

Body Guard

OFFICERS

Jack Thornberry, Magistrate; Dorothy Fritz, Pretorian

The Body Guard, led by Magistrate Jack Thornberry, is an organization of dependable, trustworthy, capable students whose duty is to guard and regulate the traffic in the halls and on the stairs, to inspect and supervise the school grounds and the building in order to secure absolute cleanliness, to serve at matinee and evening performances when called upon, and to enforce the school constitution and any other laws or rules passed by the Student Council necessary for the welfare of the student body. The Body Guard consists of one magistrate, one pretorian, ten captains, and as many prefects as are deemed necessary for the performance of the many duties which fall to the group. A few of these duties consist of collecting absence slips each hour, requiring that everyone passing through the halls have passes, directing traffic on the stairways, collecting tickets and maintaining discipline during student social hours, laying out and painting traffic signs, and assisting in running errands for the office and the deans. Much credit should be given to the Body Guard for its tireless, continuous effort to keep the school in excellent condition. Undoubtedly one of the chief reasons for their success in carrying out the duties has been due to the fine type of individuals composing the group. Peoria High School has been fortunate in having these students who can and will accept responsibility. Although not a part of the Body Guard system, mention should be made of another of council's activities, the Book Exchange. We are appreciative of the splendid work done by Willette Slonniger, manager, and her helpers, Betty Dixon, Eileen Reed, and Virginia Schmuke.

Senior National Honor

Membership in the National Honor Society is the highest honor a student can attain during his four years of high school life. The standards are high, and the qualities necessary for membership are: scholarship, character, leadership, and service.

Only the highest ranking students in the upper third of the senior class are considered in selecting candidates, and not more than 15 per cent of the whole senior class may be chosen from this list.

Junior National Honor

Junior National Honor Society, founded for the purpose of recognizing outstanding scholarship of freshmen and sophomores, was introduced into Peoria High school two years ago. Membership does not carry over from year to year, but members must be elected annually. In Junior National Honor Society the basis for election is scholarship primarily, as underclassmen have not had sufficient time to prove their qualities of leadership, character, and service. In the Junior National Honor assembly, in which the members are introduced to the student body, the members are given four-colored ribbons: gold simbolizing scholarship, white representing character, green signifying leadership, and blue for service.

Charvice is the girls' honorary society of the school, characterized by ideals of service, character, loyalty and friendliness. Members are chosen by a board from names submitted by members of the faculty. Service, scholarship, and character are the qualities considered for membership. Charvice tries to be of service to the school by assisting in the library each hour, operating "Lost and Found", and ushering at Parent-Teachers' meetings and at plays given by school organizations. Recently Charvice undertook a Little Sister movement through which the organization hopes to be of help to new students in the school. Charvice members are always ready to give their services when called upon.

English Club, one of the oldest clubs in Peoria High, has as its purpose the fostering of interest in literary activities of various kinds, as well as the encouragement of creative writing by its members.

This year has been an active one for the English Club. Programs have included the reading of original essays; a one act play; a talk on literary English; particularly the Shakespeare country, by Mr. Owen, sponsor; interesting talks by outside speakers; and musical numbers. An annual feature of the club's program is its spring picnic. They also participated in the stunt show.

French Club

OFFICERS

Tom Hunter, Pres.; Jane Peters, V.-Pres.; Jane Pashe, Sec.; Ray Fraser, Treas.

The French Club, the Fleur de Lys, is composed of about sixty students from the second and third year French classes. The meetings are in the form of evening parties at the homes of the members. As the entertainment and—theoretically, at least—the conversation are in French, the members are forced to put into practice what they have learned in the class-room, and they find that they enjoy doing so.

The programs consist of music, games—even bridge and poker have been indulged in—a treasure hunt, and plays presented by the Guignol, or puppet show of the club. The year closed with a banquet with a special speaker and several guest-alumni.

El Circulo Espanol aims to bring the students of Spanish into closer acquaintance with each other and to promote a fuller knowledge of the life and culture in Spanish speaking countries.

This year the Spanish Club made its meetings more social in nature than formerly. The first meeting was a picnic at Grand View Drive, and the following meetings were held at various homes in the evenings. There were papers and talks, both in Spanish and English, and singing of Spanish songs and playing of Spanish games. The last meeting was a dinner followed by a Spanish play.

German Club

Der Deutsche Verein, or the German Club, was organized two years ago by Fraulein Clausen. Fraulein Ziegler has continued the work very successfully. The German Club meets the first Friday of every school month.

The purpose of the club is to show that German is a living language. At our meetings German songs are sung and games involving German are played.

The German Club participated in the 1934 Stunt Show, and the members were very elated when they were awarded first place for the best stunt.

Jusendra is the dramatic club of Peoria High School open to all juniors and seniors. The purpose of the club is to learn something of the various phases of the theatre. With this as prime object, members of the club produce short one-act plays for members' meetings, and also two one-act plays of greater length to be given in matinee for the public. Besides these there are two full length plays given each year, in which students have the privilege of acting under a teacher experienced in dramatic work. Any club member may try out for these plays in accordance with the point system if his class work is satisfactory; thus the student is given a chance to discover his dramatic ability. Because of its purpose Jusendra offers the student unique opportunities in that he may serve in capacities other than acting. Coaching, committee work, advertising, play reading are all open to the student, hence he may become acquainted with the practical as well as the theoretical aspect of the theatre.

The past season has been unusually successful. Matinee productions, abandoned last year, were revived. All the work in these was done by students. Both evening plays were well presented and well received. Two guest speakers at meetings were—Mrs. Dunshee of the Peoria Players and Mrs. Morrill, a member of the Bradley faculty and a coach of national repute. Speakers of such experience bring to the students much knowledge of the theatre.

The Cue Club is the dramatic organization for freshmen and sophomores. Its purpose is to develop appreciation of dramatic art, to discover and cultivate dramatic talent among its members, and to prepare for membership in Jusendra, the dramatic organization for juniors and seniors. Cue Club meets once a month and, after a brief business meeting, a program in charge of a program committee is presented. This may consist of a one-act play by members of the club, a talk on some phase of the theater, an outside lecturer, stunts, or miscellaneous numbers. During the past year, both morning and afternoon sections have shown much enthusiasm. Both sections presented acts in the Annual Speech Club Stunt Show—the A.M. section giving "The Blood Stained Bread Knife" and the P.M. section giving a dramatization of Shakespeare's "Seven Ages of Man" from "As You Like It", with the addition of "The Seven Ages of Woman" written by Miss McGrath.

Some of the programs of the morning session were: "The Train to Morrow", a talk by Miss Perdew on "Play Coaching", a miscellaneous Christmas program, "Rich Man, Poor Man", which was later repeated for the English Club, and "Persia Presents".

The P.M. section gave three miscellaneous programs, consisting of readings, musical numbers, a puppet demonstration, and a talk on the Elizabethan Theatre. They gave the following one-act plays: "Wienies on Wednesday", "Taking Poison", "Almost a Mormon", and "Look Out for Louise".

The advanced orchestra of Peoria High School has been extremely busy and active this year. This branch of musical activity furnishes excellent experience as well as pleasure for amateur musicians. Rehearsals are held every day under the direction of Mr. Irving Bradley. Credit is given for orchestra work, and letters are awarded for satisfactory service. Much time has been spent this year in preparing for various plays which were given at Peoria High School. April 20 a concert was given at Roosevelt Junior High School. An annual concert was given during the Music Week of May by the combined orchestras of Manual Training and Peoria High Schools. The orchestra sent several soloists to the Big Twelve.

The Beginner's Orchestra was organized in 1924. The purpose of this organization is to prepare students for the school band and advanced orchestra. Along with giving experience it also affords much pleasure. The orchestra meets every Tuesday and Thursday morning under the direction of Mr. Irving Bradley. Any one interested in music is welcome to join the orchestra, and if progress is shown he may make the advanced orchestra, which is an honor anyone should be proud of. There are twenty-three students enrolled in the beginner's orchestra this year. This is the largest enrollment the orchestra has had for some time which shows that interest in music is increasing among the younger students of Peoria High.

Glee Clubs

Glee Club work is an advanced music course offered to juniors and seniors. The Boys' Glee Club has forty-five members while the Girls' Glee Club has sixty-eight members. The combined Glee Clubs form the A Capella Chorus. In the 1933 Big Twelve contest held at Champaign last May both the Girls' Glee Club and the A Capella Chorus won first place. Many personal honors were also won at this contest. Marcella Hendricks captured first place in soprano solo, Alice Schriver, second place in alto solo, and Jack Stanley, third place in bass solo.

The 1934 Big Twelve contest was held also at Champaign on May 5. Both the Glee Clubs and Chorus were entered.

One of the most interesting things that the Girls' Glee Club and the Boys' Glee Club did this year was to make a radio broadcast. They also made several public appearances. The A Capella Chorus has also broadcast over Station WMBD and made a number of public appearances, among them a Vesper Service for University Club members, November 19; a special Rotary Club program, January 12; and a Vesper Service at the Westminster Presbyterian Church, February 18.

OFFICERS

Loren McOmber, Pres.; Lois Dunmire, V.-Pres.; Marian Gates, Sec.; Art Allen, Treas.

Much interest has been shown in the Science Club this year both by students and members of the faculty who sponsor the club, Mr. Epstein, Mr. Shepherd, Mr. Stephens, Miss Kinhofer, Mr. Shields, Mr. Sammis, and Mr. Sommer. Many interesting talks and demonstrations were given at the meetings, the programs being furnished both by students and sponsors.

The purpose, to give scientific knowledge in an interesting way, has been successfully maintained through the full cooperation of all those connected with the club.

Social Science Club

OFFICERS

Constance Black, Pres.; Paul Blackford, V.-Pres.; Elizabeth Roszell, Program Committee;
Ernest Wiltz, Membership Committee

The Social Science Club has been organized to develop a better appreciation of social studies, to offer greater opportunities for fuller discussion on national problems, and to promote an active and intelligent citizenship.

The meetings this year have been regularly attended, but the members were fewer in number. The two-shift system has had its effect on departmental clubs; but the program committee chairman, Elizabeth Roszell, was able to plan out some good programs for the Club. They contributed twenty-six dollars for the band uniforms. The officers hope the coming year will be even greater for the organization.

OFFICERS

Jack Thornberry, Pres.; Jack Keller, V.-Pres.; Norman Harvey, Sec.

The Hi-Y is the "unique" club of Peoria High School. The other organizations are founded for intellectual and social reasons, while the Hi-Y has another reason as well as the two mentioned; this group does not neglect the moral phase, for it is generally agreed that a person cannot be a well rounded individual and slight any one of the three. The boys have a chance for physical development by taking part in the basketball league conducted by the "Y". Swimming is enjoyed after each meeting by those boys interested. The four "C's" campaign and the joint meetings with other clubs were some of the features for the year. Jack Thornberry was president for the past year.

Junior Hi-Y

OFFICERS

Wallace Chessman, Pres.; Charles Donner, V.-Pres.; Robert Darst, Sec.

The club experienced a late start in program activity, but this has not dampened the enthusiasm for making the year one of outstanding merit.

With a small membership, the various meetings were naturally quite informal. Most of the high lights of the year's program centered around the very worthwhile group discussions which were organized and planned by President Chessman.

Outside speakers were obtained to give talks on special topics of the group's interest. Among them were Mr. Moore, Drs. Litwiller and McCusky and Tom Flanigon.

Projection Crew

Loren McOmber, Manager

The projection crew is one of the most active organizations of the school. They work for the school every day for the daily assemblies. The crew manipulates the public address system, taking care of the amplifier, and microphone. They have complete charge of operating this system. They also devoted much time to its installation. The crew contributed to the band uniforms by showing a movie entitled "Some Punkins", together with an animated comedy. The show was given seventh and tenth hours, and proved to be a big success. The money was turned over to the band. They operate spotlights for assemblies, plays, and other functions and did special spotlight work on the Stunt Show.

The Stage Crew

Jack Keller, Manager

This year there are only five members on the stage crew. They are: Jack Keller, stage manager, and four sophomores, Jack Flora, Emerson Cole, Bob Lindig and Jim Brown. These sophomores were put on at the end of the last year but did not see active work during productions until this year.

The work was heavy this year, with three daily assemblies in addition to the other work of cleaning and arranging the stage and dressing rooms, mending ropes, building scenery, dipping lights, and doing many other things connected with the stage presentations of the school.

Lettermen's Club

OFFICERS

Kenneth Bierly, President

The Lettermen's Club, as the name suggests, is an organization for all boys who have received a letter in athletics at Peoria High School. The purpose of the group is to sponsor higher ideals of sportsmanship and to promote in general a higher degree of loyalty to our school.

This group of boys has been quite active the past year and should be congratulated for their fine work. They have donated picture racks, sponsored faculty and lettermen's basketball games and a dance to raise money for band uniforms.

Archery Club

Shirley Coleman, President; Robert Cooper, Secretary

For health, pleasure and real happiness we recommend Archery. Our club, organized two years ago, has been making progress in the art of using the "long bow" and has developed some excellent shooters. Physicians recommend this sport for all-round physical development. No closer coordination of brain and muscle is required in any sport than of archery. Not only is it a means of developing one physically but it adds dignity, poise and grace of body to its devotees. It is the sport best adapted to all ages. It may be indulged in by youth as well as by mature individuals. The club gave an interesting demonstration on the stage of Peoria High for the Parent Teachers Association.

Jusendra Production Coached by Mr. D. Owen

"Let's Get Rich" was the first evening production of the year. Morning students of Jusendra presented this comedy on February second under the excellent direction of Mr. David Owen. Although handicapped by the serious illness of two members, the cast carried the play in a most creditable manner. The committees working with the actors also did very fine work. The play was very well attended due to the efficient work of the publicity committee. Of noticeable worth was the work of Tom Hunter who substituted in a character part on a week's notice. Delightful acting was also done by Mary Gill, Ned Davis, Walter Jameson, Bill Hart, and Herbert Kastien. The rest of the cast can also be commended.

The Mysterious Mrs. Updyke

Jusendra Production Coached by Miss Maxfield

"The Mysterious Mrs. Updyke", a comedy mystery play, was the choice of Jusendra for their evening production of March 29. The Updyke fortune, stolen jewels, mysterious letters, and the reported kidnaping of Mrs. Updyke figure prominently in the action of the play. The widow of the late Mr. Updyke invites the relatives to spend the week-end as her guests, but to their chagrin they are greeted by her secretary, while she herself, on one pretext or another, fails to appear. Finally through a cleverly planned treasure hunt Mr. Updyke's will is revealed, the jewels are restored inadvertently by the superstitious colored maid, and at the very end of the play the secretary is revealed as "The Mysterious Mrs. Updyke".

It Happened In Hollywood

Senior Class Production Coached by Mr. A. Epstein

Josie Pembroke (Bette Lou Paul) and her dearest friend, Princess Delores (Marjorie Meyers or Dorothy Fritz) return to Hollywood from abroad, ignorant of the fact that Josie's mother, Mrs. Pembroke (Jane Peters) has gone abroad to visit them. Delores has run away from a prince she has never seen and whom her guardians are trying to make her marry. Through a talkative messenger boy (Robert Sively) Josie finds that Jarvis, the butler (Irving Gottlieb), has rented the house to Alan Tremayne (Don Ford) and his press agent, Tom Garrity (Carl Herrmann). Wishing to find out if Alan is really the prince he is pretending to be, Josie and Delores assume the disguise of servants.

Complications arise when Mrs. Pembroke returns, and when the prince's guardian, Sir Humphrey (Edwin Harris), arrives in Hollywood to search for the runaway prince and to investigate the story that he is living in the Pembroke house. Sir Humphrey exposes Alan as an imposter, and Bert, the chauffeur (Earl Hunter), as the real prince. The exposures bring chagrin to Doreen Downing (Ann Welzenbach), a movie actress who has been trying to get Alan to marry her; apologies from Tom and Alan; laughs to Polly O'Connor (Helen Maibach) a comedy actress who is always poking fun at Doreen; a good story for Phyllis Duganne, the newspaper reporter, (Marcella Hendricks); and two marriages. Mrs. Pembroke forgives Alan, with whom Josie has fallen in love; and Sir Humphrey forgives his nephew when he finds that the prince and Delores love each other and intend to marry.

Opinion

Ruth Mannschott, Editor-in-Chief; Moreland Wooleyhan, Advertising Manager

The Peoria Opinion, official newspaper of Peoria High School, is completing its forty-fifth year, with a number of noteworthy achievements to its credit. After eight years of sustained effort as a weekly newspaper, the Opinion has been awarded an international honor rating by Quill and Scroll, international honorary society for high school journalists, in its first critical service contest conducted last year. In April last year the Opinion received a first class honor rating from the National Scholastic Press Association. In each of these contests the Opinion was competing against high school newspapers which are rated as the best in the country.

From the profits of the Opinion advertising a mat molder was purchased in November making it possible for mats of the Opinion pages to be made in the pressroom rather than at the downtown newspaper where the actual press work is done. A sixteen by twenty foot balcony was erected in the press room to take care of the ever increasing number of people on the editorial and reportorial staff. An innovation in high school newspapers occurred when the Opinion published a picture page in connection with the special twelve page edition at Thanksgiving. Such a page was included in the sixteen page Christmas edition, eight pages of which were given over to stories and poems by the English classes.

Opinion—(Continued)

Showing its willingness to cooperate with the various departments of the school, the Opinion has printed messages from the superintendent and principal; editorials written by and for the deans; editorials written by the student council and has also given publicity to every phase of school life and extra curricular activities.

The editorial staff, under Mr. Earl English, instructor in journalism, advertising, salesmanship and printing, includes: Ruth Mannschott, serving her second year as editor-in-chief; Jane Rutherford, society page editor; Betty Wilday, editorial page editor; Fred Vance, sports editor; Maxine Talbott, exchange editor and Margaret Downing, copy editor. Moreland Wolleyhan has acted as advertising manager and he has been assisted by John Cochran and William Hart. During the year Leonard Feldman, Edith Hayes and Joyce Martin served as news editors. News stories were written by journalism classes. Columnists included Bette Sorenson, Wallace Chessman, Marjorie Frye, Jack Davis, Phyllis McCallum, Phyllis Johnson, Herb Lipson, Bernard Wrigley, Gordon Robinson, Blanch Veath, James McLaughlin, Bette Lou Paul, George Wysong, Chuck Burroughs, Fred Vance, Jack Scheel, Lois Dobbins, and William S. Conway.

Workers in the Black Hole on Wednesday and Thursday nights were Ruth Mannschott, Margaret Downing, Betty Wilday, Joyce Martin, Marjorie Frye, Chuck Linton, Robert Immel, Lee Reagan, George Wysong, James McLaughlin, Herb Lipson, Dick Reyburn, Perry Knoblauch, Fred Vance, Robert Haller, Bob Chamberlain, Bernard Wrigley and Mr. English.

The Crest

The 1934 *Crest* resembles Rome in that it too was not built in a day. Our staff has worked diligently to make this annual a success, and we appreciate the cooperation given us by both the faculty and the student body.

Such a project as the *Crest* would have been impossible without the help from our classmates. Elizabeth Bristol, Shirley Colman, Marjorie Frye, Phil Hack, Ben Greenwood, Emily Franks, Fay Eastman, Frances Evans, Lucille Barnhart, Geraldine Maurer, Lillian Fiegenbaum, Bette Paul, Jane Peters, Henry Welch, Charles Cartwright, Charles Ringle, Bob Hunt, Harold Simon, Laurence Way, Gordon Robinson, and J. B. deserve special mention for their clever couplets in the Senior and Faculty sections. We owe thanks to Bob Huisman whose clever silhouettes are found within this book, and also to the assistant athletic editor, Ray Frazier, and assistant business manager, Charles Iben.

The brilliance of our *Crest* assembly was due to Miss Dorothy Crowder and to Miss Janet Buswell who planned the clever production and carried it to a successful conclusion.

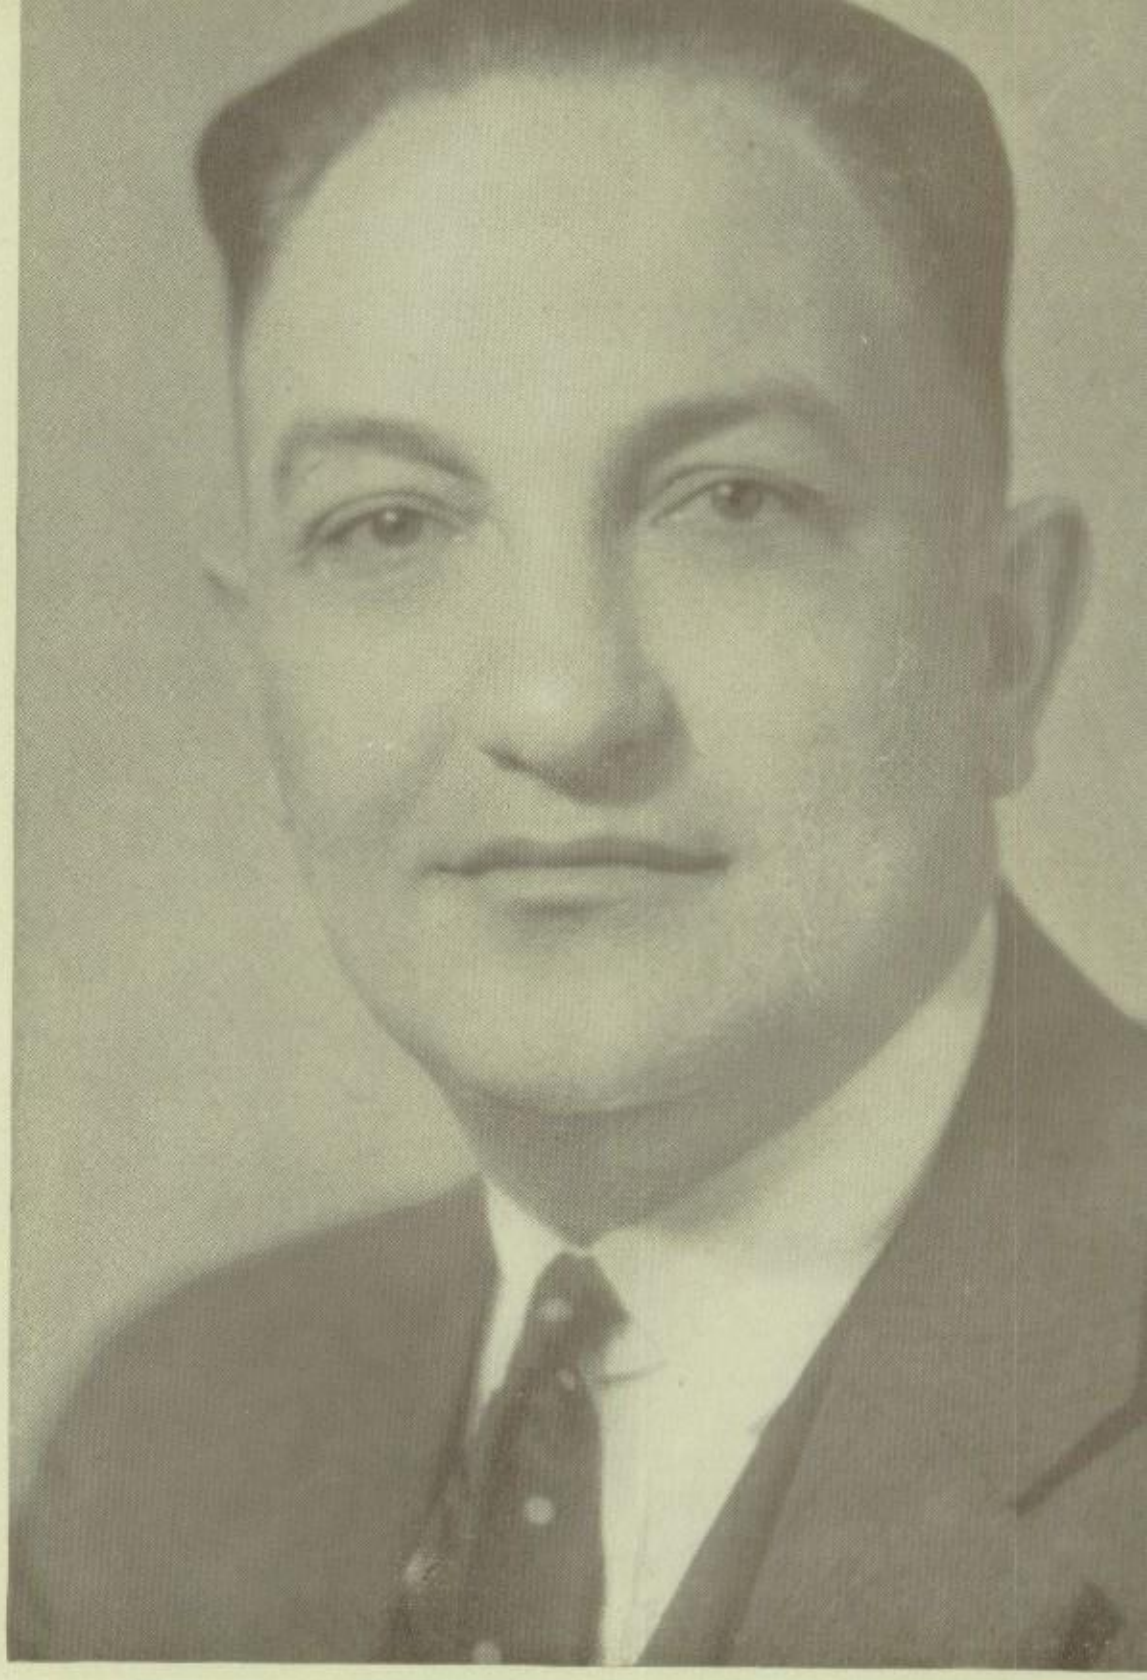
In all we cannot begin to name everyone who aided us, but to Mrs. Bessie Hale, adviser of the annual, the *Crest* owes the greatest part of its success.

ATHLETICS

SALEN HERKE

Director of

Boys' Athletics



Coach Herke

Salen Herke has just completed his eighteenth year as Director of Athletics here at Peoria High School. It seems as though Peoria High could not get along without the services of Coach Herke.

Herke, better known to all the students as "Doc", is admired by all who come in contact with him because of his fine personality, sense of humor, and good sportsmanship.

"Doc", besides supervising all athletics and coaching football and basketball, takes charge of the boys' gym classes. He has, indeed, enough work to keep him busy throughout the day.

In addition to being popular with the students at school, "Doc" is very prominent among the best high school coaches in the state. He is considered an authority in anything connected with sports.

The "Old Fox" has a long and enviable record here at Peoria High, and we sincerely hope that he will remain for a long time and will continue to turn out victorious teams for Peoria High.

P.H.S. vs. Spring Valley

1933 Football Team

This year Peoria High experienced a successful, but yet a queer, season in football. This was due to the fact that the Maroons won four, lost two, and tied five games.

When the call for candidates was issued, there were about sixty boys who reported for the first practice session. Of these there were eight men who had previously won their letters. The squad worked hard on the fundamentals of the game and were ready to open the season with Kingman in October.

Peoria High initiated the new season with a 14 to 6 defeat of Kingman. After being defeated by Spring Valley 13 to 0, Central tied Bloomington 6 to 6. Next came the largest score of the season, which was a 34 to 7 win from Streator. A wet and muddy struggle with Spalding ended in a 6 to 6 tie. Springfield High bumped the Maroons in a spirited game 13 to 6; Feitshans also of Springfield managed to hold Central to a 0 to 0 tie. Pekin, always a strong

opponent, was vanquished 6 to 0 in a thriller. The fourth tie game of the season came against Danville, the score being 6 to 6. Last came the Turkey Day game with Manual which ended in a 0 to 0 tie, although statistics show that Central outplayed Manual considerably.

The lettermen of this year's team elected "Clancy" Hinton and "Kenny" Bierly co-captains of the team. No two players deserved it more than these fellows who were selected on the all-conference team for their second successive year. The other letter winners were: E. Swords (P**), B. Baker, (P*), F. Bouton (P*), B. Dickinson (P*), B. Mitchell (P*), J. Monroe (P*), C. Appell, J. Bankston, W. Chamberlain, L. Dent, B. Gamble, Krantz, L. Nyberg, S. Poland, J. Schwartz, and T. Serkowich.

The team finished third in the Big Twelve Conference standing and second in the Intra-City race.

Spalding Gets the Ball off the Bankboard

1933-34 Basketball Team

The 1933-34 Basketball team of Peoria High School enjoyed a better season than any other team has for the last five years. They won twenty games and lost but five. The team started out the season by winning four consecutive games. The fifth, however, was lost to Manual. Later Streator and Canton eked out wins from our team and then Manual again beat Peoria High. Due to the fact that Manual beat us twice we were forced into second position in the city race and third in the Big Twelve Conference standings.

When the district tournaments began Peoria High was considered a favorite to win at Elmwood. The team did not disappoint its followers and brought home the district championship. Next came the sectional. Although not doped to win, Peoria High won the right to participate in the State Finals by beating Colchester 42 to 22, Canton 20 to 12, and Havana 23 to 17. A large group of followers went to Champaign to see the State tournament, but returned disappointed, because Urbana beat Peoria High in a thrilling game, 33 to 30.

RESERVE SQUAD

Who Gets the Tip Off?

P.H.S. vs. East Peoria

The team next year will be weakened by the loss of Cole, Hinton, Dent, Nyberg, Barker, and Appell. However, Schunk and Batchelder who were regulars this year will be back again next year, and in addition to these Bouton, Richardson, and several members of the reserve squad will be available. The following boys received letters this year for their services: Cole Capt. (P*), Hinton (P*), Dent (P*), Appell, Barker, Nyberg, Batchelder, and Schunk.

Reserve Basketball

The reserve basketball team, coached by Mr. Trimble, turned in a very fine record this year. The reserve team is made up of freshmen and sophomores who need more training and experience before they are ready for the varsity. The team this year had the most successful season in its history. They won twelve and lost but two games. They also tied one game with Manual reserves. It stands to reason that if the reserves this year won most of their games, when these players are on the varsity they ought to make a fine record. Members of this year's team who should make strong bids for varsity positions next year are: Foster, Leu, Shelton, Huber, Spears, Kroepel, Stevensen, and Wasson.

Top Row: Coach Trimble, Nichols, Tincher, Manager Dew, Swords, Dickinson, Wiemer, Coach Herke.

Middle Row: Gratton, Bouton, Stonebach, Ferdinand, Meisinger, Dent.

1933 Baseball Team

The 1933 Baseball team of Peoria High enjoyed a very successful season; they won both the Big Twelve conference championship and the city championship, losing but one of twelve games.

The members of the team elected "Chuck" Harper, who received his fourth letter, Alvie Gebhardt three-letter man, and Ed Stonebach, also a three-letter man, as tri-captains of the team. In addition to these three men, the following fellows received letters: T. Galvin (P*), H. Ferdinand (P*), L. Nyberg (P*), R. Wiemer, L. Dent, J. Tichner, F. Bouton, and J. Gratto.

1933 Track Team

Our track team, although having but four experienced men, had a successful season in 1933. Among the most outstanding members of the team were: Craig Walker, Captain, who established an all-time school record in the high hurdles and finished second in that event at the state meet. "Clancy" Hinton (P**) was outstanding in the broad jump and dashes, Freddie Martin (P**) collected many points in the dashes, and Fred Thompson was probably the most consistent point getter in the 100 and 220 yard dashes. Earl Nordman (P*) and Bob Luthy (P*) took care of the distance runs in good fashion. In addition to these, the following received letters: D. Melody, J. Chalmers, Dusenberry, Taylor, Dennison, Alcorn, and Fearn.

The Season's Results Were:

Peoria High Indoor Meet—1st place.
Pekin Duel Meet; P.H.S. 38—Pekin 84.

East Peoria Invitational—4th place.
Bloomington Invitational—2 points.

1933 Tennis Team

The 1933 tennis team of Peoria High did not have too good a season, but still it was not disastrous. The team took part in seven matches, winning from Canton 4 to 2, and from Spalding 5 to 0; losing to Pekin 4 to 2, Bloomington 5 to 1, Spalding 3 to 2 and a second match to Bloomington 4 to 2, and tying a match with Lincoln 3 to 3.

At the district tournament three of the fellows reached the semi-finals. Bill Pinkney dropped a close match in the singles; the doubles team, consisting of Bob Sively and Bill Cutter, lost in the semi-finals.

The boys who won letters were: Captain Bill Cutter (P*), Bob Sively (P*), and Bill Pinkney (P). The first ten ranking men were: B. Sively, Bill Cutter, B. Pinkney, T. Faner, Bob Cutter, J. Huisman, D. East, B. Taylor, and L. Favus.

The prospects for a good team next year are excellent, as the individuals who will make up next year's team have shown a good quality of play this year.

Top Row: Bass, Coach Herke, Montgomery, Marshall.

Bottom Row: Cole, Hill, Mueller, Brown.

1933 Golf Team

The 1933 Golf team had another successful year, winning five matches, losing five, and tying one. In addition to the duel matches, the team won second place in the Big Twelve meet. Bob Hill, captain of the team, placed second in the district meet and tied for seventh place at the state contest. Jack Mueller, although tying for fourth place in the district, was unable to go to the state contest because he lost out in drawing lots with the man he tied with for fourth place, to decide who would go to the state contest.

Scores of Matches were:

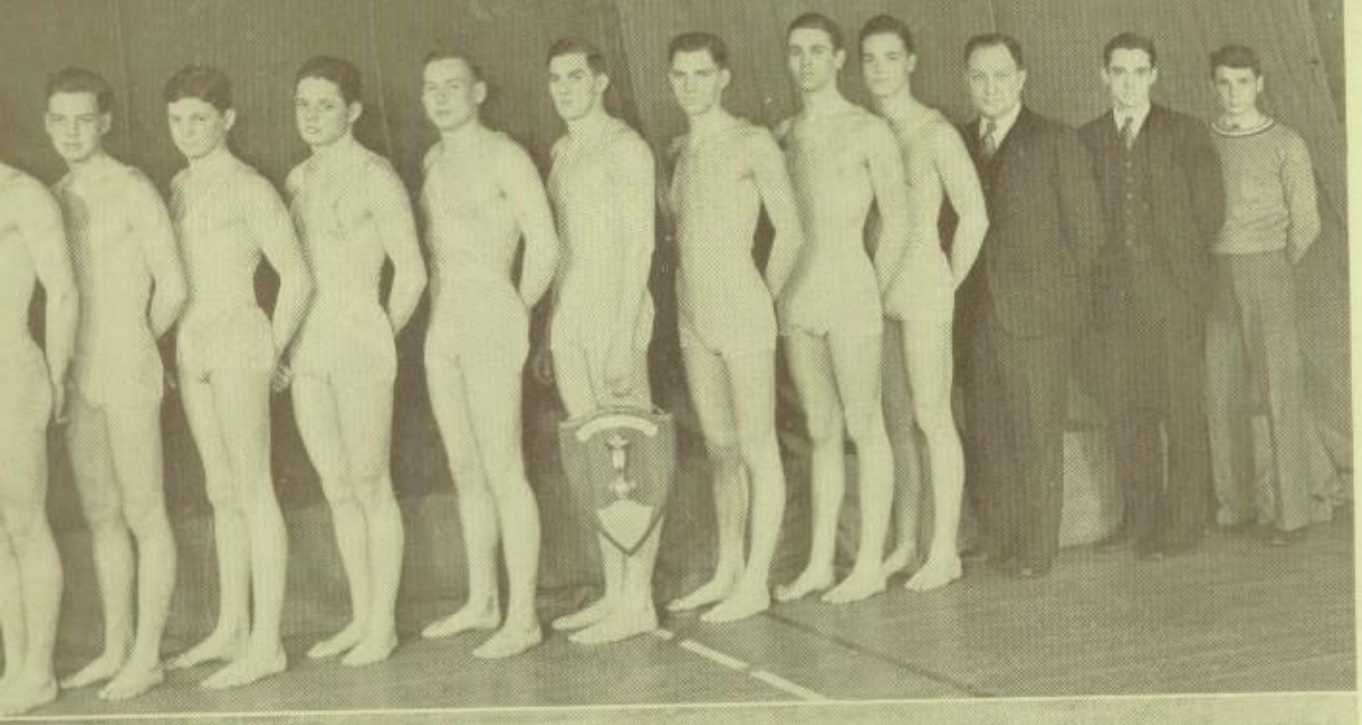
City Record: Won 5, Lost 5, Tied 1.

The 1934 team should have a good year because the following men return: Hill (P*) Captain, Cole (P), Brown (P), Mueller (P), Voss, Montgomery. In addition to these those who ranged among the top ten men were: Scherer, Bass, Marshall, and Bryan.



Left to Right: Hatch, Foberg, Cutter, Hack, Parker, Hill, Bowen, Harris, Anderson, Coach Herke, Coach Klingel, Manager Hembrough.

1934 Swimming Team

The 1934 Swimming team experienced the most successful season since the beginning of the sport here at Peoria High. The team this year had difficulty in securing competition and for this reason had but two dual meets, both of them with LaSalle-Peru. The team won their home meet 46 to 20 but were not so fortunate at LaSalle, losing 33 to 32. The major event of the year was the Big Twelve conference at Danville. Two years ago Central won the meet, but it is usually won by Danville. This year Central won from Danville, Springfield, and Urbana by a safe margin. The most outstanding performance of the meet was turned in by Grant Anderson who established two new records, in the 40 yard free style and in the 100 yard free style events. Bob Cutter won a first in the 100 yard back stroke in fine time, and the free style relay team, composed of Hatch, Bowen, Hack, and Anderson turned in a fine performance.

For the first time, Peoria High sent a team to the state meet and it returned with a team total of 8 points, or a tie for fifth place. Grant Anderson gained six points by placing second both in the 40 and 100 yard free style events, and Bob Cutter got 2 points for a third in the back stroke. Anderson turned in the best time of 56.9 seconds in preliminaries which set a meet record.

The members of the team elected Bob Hill captain (P**). In addition to Hill, the following were lettermen: Anderson (P**), Harris (P*), Cutter (P*), Bowen (P*), Hatch, Foberg, Hack, and Parker.

MANAGERS AND TRAINER

Coaching Staff

The coaches are probably the most important figures in the athletic department. On the shoulders of these individuals rests the duty of training boys and developing winning teams. Peoria High is very fortunate in having a very fine group of coaches. Mr. Herke, who is athletic director, turned in a fine job of coaching the football and basketball teams this year. Mr. Trimble has made fine records with his baseball and reserve basketball teams and assists in coaching football. Mr. Meyers devotes much of his time in drilling his tennis team and does a good job of it, too. Mr. English is very much interested in track and shows it by producing as good teams as he does. Mr. Klingel, who volunteers his work, should be congratulated on the success of his swimming team.

Managers and Trainer

The managers and trainer, who work hard and diligently, do not receive just credit for their efforts. Their duty, as would be expected, is to take care of the equipment for all sports. In order to receive a letter for managing, one must work for four years. This year Huey and Melody were football managers, Stephens and Davis, basketball, and Waddell, track. Bill Conway has served as trainer for a good many years and has at all times been very painstaking in his work of repairing and caring for the equipment. Conway is well known to the students for his speeches in pep meetings and his Opinion column, "Soap Suds".

Intra-Mural Basketball

Intra-mural basketball all this year was under the supervision of Mr. Trimble and Mr. Yuhause. The sport was planned for those boys who were not on the varsity or reserve basketball squads. In the league were four teams from each of the freshmen, sophomore, junior, and senior classes. The teams included about two hundred boys; in all there were about forty games played. The games were played in both gyms after school and on Saturday mornings. When the scheduled games were finished, the two teams of each class which ranked highest played in an elimination tournament. The team pictured above was the winner of this tournament.

Many excellent games were played and much good material for future varsity teams was discovered.

Cheerleaders

To the cheerleaders goes the responsibility of creating pep and enthusiasm at the athletic contests. In the past year the cheerleaders have done their best in every way and as a result more pep has been shown than in previous years. This year Harvey Swisher was head cheerleader assisted by Ray Fraser. Feigenbaum and Tunnicliff have just begun as cheerleaders and show promise of becoming very successful in their work. In order to earn a letter as cheerleader, one must work diligently for four years.

MISS PHYLLIS LONG

Director of

Girls' Athletics

Miss Long

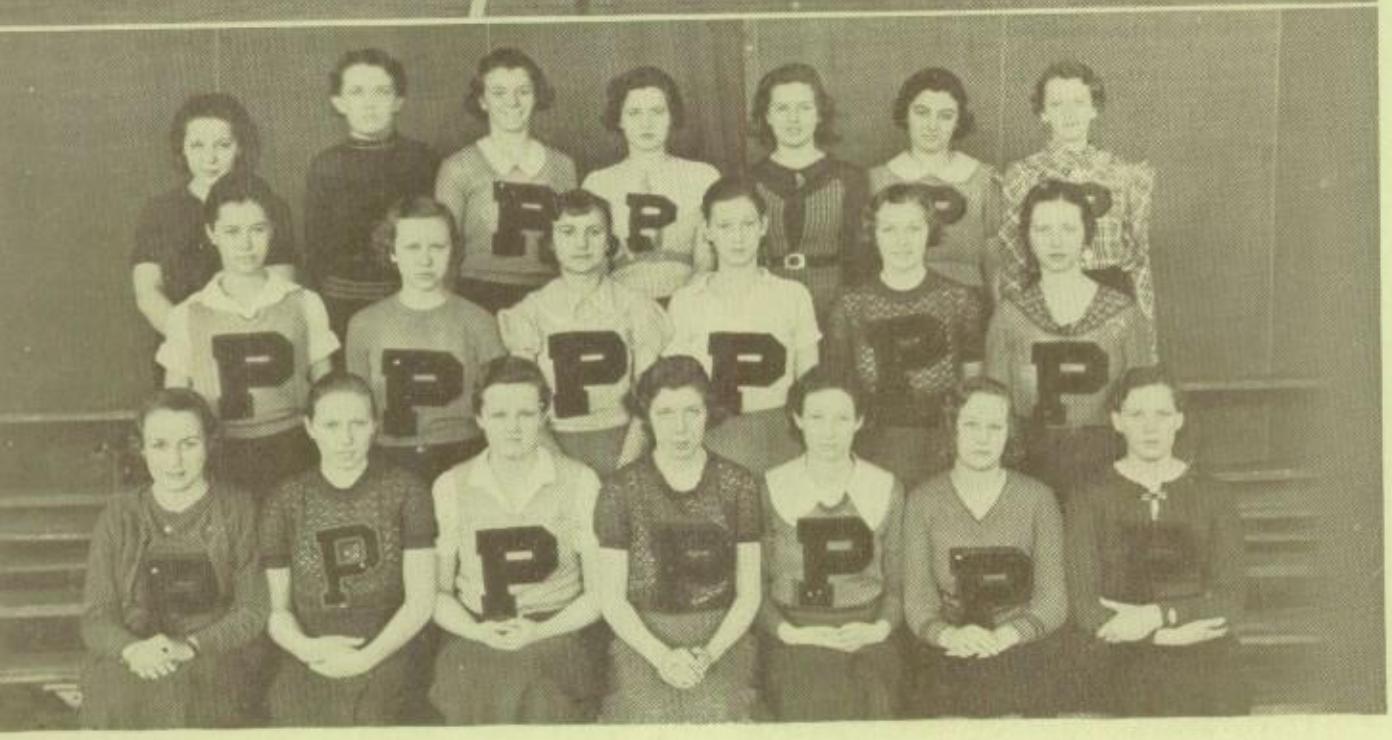
For one who is teaching her first year in high school, Miss Long has displayed more initiative and executive ability than most teachers show after several years of experience.

Under her guidance, benefit basketball games between the women members of the faculty and the girls have been inaugurated.

Miss Long, who has taken an active interest in all the sports, has introduced soccer, dancing, and tumbling into her classes and G.A.A.

G.A.A., which Miss Long sponsors, has grown into a large regular attendance. The weekly swimming parties which she arranged have been very successful. Miss Long has shown that she has the interest of everyone at heart. Ping Pong tables and shuffleboards have been installed in the gymnasium so that all of the girls may have something to do at all times.

Modest about her own skill, an excellent instructor, a devotee of fair play and good sportsmanship, Miss Long has won the hearts of all those who know her.



G.A.A.

G.A.A., known as the Girls' Athletic Association, is open for membership to any girl who wishes to join. This last year the club had a very fine membership and was very active around school. They elected as their officers: President, Evelyn Higgs; Vice-President, Viola Wheeler; Secretary, Emyleen Tess; and Treasurer, Ann Koch.

The year's program of activities in the G.A.A. has been very full with both athletic and social events. In the fall, the girls had a volleyball tournament and a social party. A basketball tournament was the main interest in the winter. In the spring, which is probably the busiest time of the year for the club members, a baseball league, track, tennis, and hiking received the attention of the girls.

The club, under the direction of Miss Long, meets on Fridays, both in the morning and afternoon, so that all girls have a chance to take part in the activities of the club.

Letter Girls

The Letter Girls, although not heard of much around school, should really be given more consideration than they receive. To receive a letter in girls' athletics is, indeed, a difficult task. Points toward letters are given to girls who show ability in the different athletic contests sponsored by G.A.A. When a girl has won six hundred points for activities, she is awarded a letter. The girls are then considered advisers in the G.A.A. and are held in high esteem by fellow students for their work in girls athletics.

Middle Row: Pabst, Manager Hutcheson, Stewart.
Bottom Row: Anderson.

Gym Classes

The gym classes, as would be expected, are classes in physical education. The regular curricular program requires that every girl take two years of physical training. The work of the gym class, however, is more pleasure than work. Among the activities of the classes are: tumbling, basketball, dancing, volleyball, apparatus work, baseball, track, and posture work. One can readily see that the classes have plenty of interesting activity. To provide enthusiasm and competition, the classes are divided into teams, and contests between the different teams are held.

Girls' Volleyball

The girls' volleyball team pictured above is the winner of the tournament which G.A.A. conducted this year. The tournament consisted of twelve teams, eight of which were in the afternoon section and the remaining four in the morning group. There were many fine players who took part in the tournament and as a result the games were of good quality and very interesting.

Much credit should be given to Olive Hutcheson, for she was the manager of the tournament. Upon her rested the responsibility of refereeing the games and having everything in readiness so that the tournament might be held in good fashion and might prove to be the success that it was.

Oh, Those Athletes!

The Song of the Seniors

Should you ask me whence this story,
Whence this tale of future greatness,
Of the class that now is leaving,
Leaving Central High forever,
I should answer, I should tell you:
From the annals of the future,
From the records of tomorrow.
I repeat them as I read them
From the great book set before me.
If still further you should ask me,
Saying, "Tell us more about it."
I should answer your inquiries
Straightaway in such words as follow:

The Peoria Code

A group of students following the 4C campaign held in the school in February, 1923, determined to unite their efforts for the following standards:

1. Be a Sportsman of the Truest Type.
   On the floor, play the game hard and clean.
   On the side lines, enthusiastic but considerate and fair.
2. Be Clean in Speech.
   Swearing and dirty story telling shall be eliminated as far as possible.
3. In Scholarship, Create and Maintain a High Degree of Honesty.
   The Peoria Code does not admit the giving or receiving help in examinations or other work where our own efforts are required.
4. Be Chivalrous and Honorable in our Habits—a Lady or a Gentleman in all relationships, at all times.

It means further that we will do nothing that will lower our character and standing in our school and community and will help those who are weaker to stand with us.

THE LAST FLIGHT

It was one of those snowy, slushy days so frequent early last spring, that the members of the Senior class met in the auditorium to determine whether or not they would graduate in caps and gowns. However, the meeting was too often interrupted by curious Freshmen who wanted to know the reason for uprooting and hurling auditoirum seats at Mr. Swanson, class sponsor, so it was decided to finish the discussion at a banquet to be held at the home of the WEAVER twins, ROBERT and ROBYN. Their home was decided upon because they had each received a box of blocks as a birthday gift and, of course, the far-sighted seniors recognized the importance of blocks if the discussion became too heated.

In some way EARL WHITE, who had just completed a correspondence course in the ART of MESSMERism, put the entire class his hypnotic influence

and secured a unanimous vote according to his views on the subject. After that the banquet progressed with all the Seniors on friendly terms. That is, all but ANN WELZENBACH and LEONA VAN HOEHNSTEIN who were still arguing about whose fingernails were longer. A committee was appointed to serve as judges in this dispute and their decision was that Leona's were a trifle longer, but that Ann's were by far the brighter.

This sagacious discussion was followed by the serving of a bounteous repast, during which playful CLIFFORD STARR endeared himself to ELIZABETH SILZER by putting pepper in her glass of water and sweetening her coffee with salt. JACK SPEARS, in his anxiety to use the right fork swallowed a whole

cracker and would have choked to death if BETTY WOOD had not saved his life by patting him on the back. While Jack entertained his benefactor with a lecture on the difference between the atom and a third conjugation French verb, MARIE VOSS greatly embarrassed DUANE STONE by calling the attention of the entire company to his attempt at slipping a spoon up his sleeve. In the ensuing excitement, caused by the returning of spoons by the entire Senior class, ALICE SMITH upset a glass of water over GERALDINE STRINGER'S new blue dress and another feud was started.

At this juncture REBECCA THORNE, banquet chairman, introduced BOB WADDELL as toastmaster and he kept the banqueters in gales of laughter at his introductions of the various speakers, particularly IVABEL VICARY, who related a number of Little Audrey jokes at which the Seniors booed unmercifully.

The next speaker, LIZABETH PARKER, gave her views on the uselessness of Latin and seemed rather chagrined when Miss Stewart suddenly appeared,

Next, BOB REENTS added to his already famous reputation as an after-dinner speaker, making a speech fairly bursting with humor, although it consumed only a quarter of a minute.

This little piggie took French
This little piggie played baseball

Following this, ALICE VANDAVEER inquired of GEORGE FURNESS how he could afford to take so many beautiful girls to expensive restaurants. To which George promptly replied, "That's easy; I always ask each girl, just before we go in, if she hasn't been putting on weight."
